

## Thanksgiving Luncheon: 80 year olds celebrate in style

---

A thanksgiving luncheon was held at the Capetonian Hotel to thank all tenants who share their birth year (1929) with Communicare. 57 tenants attended the function which coincided with National Older Person's Week. Live music that brought back sweet memories and got our tenants swinging in unison was provided by Roland Perold and Germandt van Der Bergh.

Tenants expressed their thanks to Communicare for remembering their birthdays and honouring them in this unique way. Numerous thank you cards and notes were received from our tenants so aptly represented by the following two messages:

***“Wat ‘n onvergeetlike 80ste partytjie. Ons het dit almal baie geniet”.*** (Rita Snyman, Magriet Van Dyk, JJ VAN Wyk, Hester Marais, Babara Murch, Colin Murch – Thornton Place)

***“Please accept my sincere thanks for the lovely day we spent with you all on our mutual 80<sup>th</sup> birthday lunch. Your kindness and care are very much appreciated. Bless you one and all for making us feel so special.*** (Mrs Lela Fernandes – Musgrave Park)
